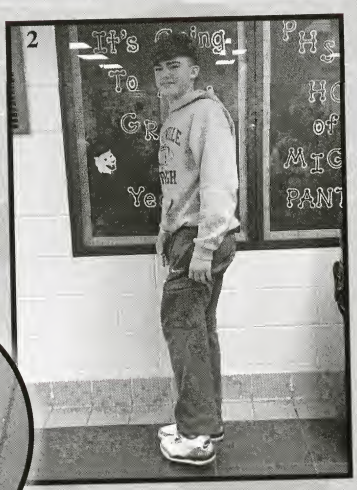
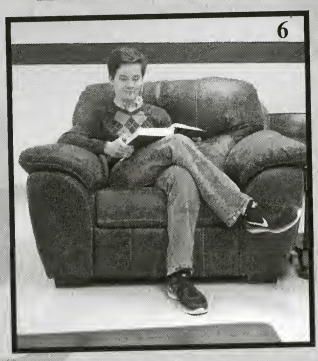
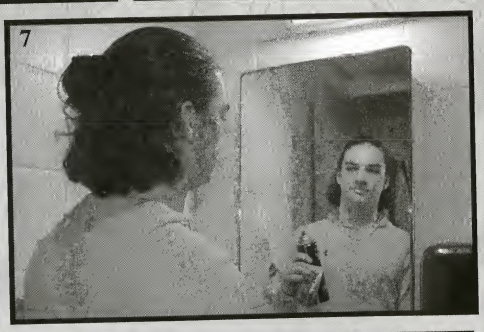
10 SIGNS HE'S NOT THE ONE

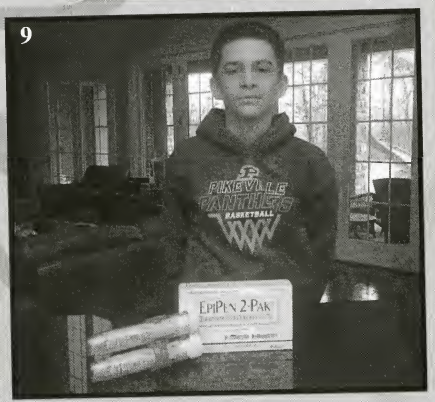
Different hobbies, likes, and sometimes even dislikes shape each individuals' personality at Pikeville High School. However, some personalities might clash if you two are not into the same likes and dislikes.

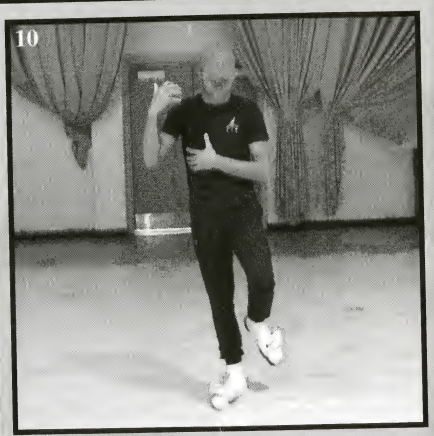


(1) Watch out! The "steaks" would be raised as **Colin Elder** would always outcook you in the kitchen. All you "knead" is love, Colin. (2) Don't step on **Griffin Harris'** blue suede shoes! You can't date a boy who likes shoes more than you. (3) Yikes! No ketchup, you say? While dating **Gunner Edmonds,** anything with ketchup would be off limits. (4) He's gone! He's gone, girl. **Harrison Booher** might be a hard catch. (5) "No thangs in Mustangs," says **Noah Little.** Gotta get a boy with the Panther spirit! (6) If you ever want to win an argument, you can't date a genius like **Paul Keaton.** (7) Mirror, mirror on the wall, whose hair is the fairest of them all? Wouldn't be you because **Jackson Hensley** stays in front of the mirror to fix his luscious locks. (8) Forget adventure! **Caleb Sackman** will always be sleeping and maybe even snoring... too loudly. (9) "Atchu!" Forget quiet movies during allergy season. **Brandon Lowe** is allergic to everything. (10) We know when that hotline blings it could only mean that when **Christian Billiter** gets a call, he will be dancing to the ringtone.

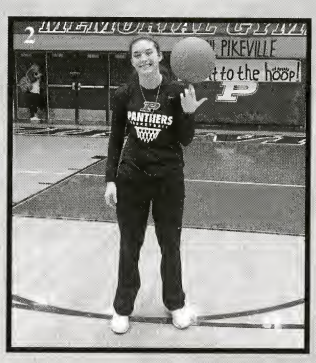


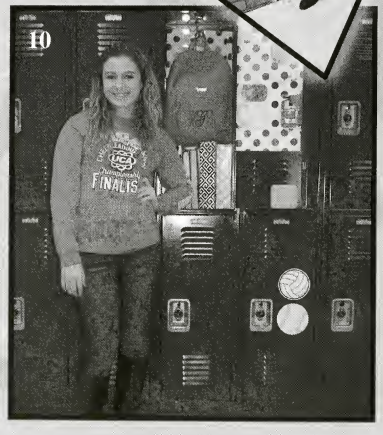






10 SIGNS SHE'S NOT THE ONE





1) Can't take a joke? Well, count **Alicia Zacarias** out. She is always sharing amusing stories. (2) She shoots! She scores! **Grace Bartley** would always be more athletic than you. (3) Are you worried about being left on read or hate long replies? **Rachel Ratliff** might leave her phone at home while she's cruising the hills on her dirt bike. (4) No dinner dates for you, boy. Dating **Lindsey McNamee** will result in meal prepping and lifting. (5) No drama from your mama, or **Emily Hager**. She likes more drama in her lashes...we hope. (6) Sorry boys, **Elizabeth Brown** can't hang tonight. She has gymnastics; her top priority is tumbling. (7) It's showtime for **Hannah Auton**. Late nights at Jenny Wiley have paid off. (9) Better keep things quiet. **Thearose Jerrell** will always enjoy a great page turner. (10) No mess ups with **Hannah Akers.** She likes everything neat and tidy, even her locker.

Archer Park provided the perfect setting for one of the last senior gatherings.

On Monday, May 22, students enjoyed corn hole, soccer, lots of good food, and getting wet! But, most importantly, they had fun just being together as a class.

A Moment of Celebration and Achievement

It was a bittersweet occassion for the 105 seniors as they entered Alumni Auditorium on Sunday, May 28.

Realizing this was the very last day of the life they had grown so comfortable with, many reflected on their time at Pikeville as they listened to speeches given by classmates.

However, it was time to move forward, time to begin a new journey.

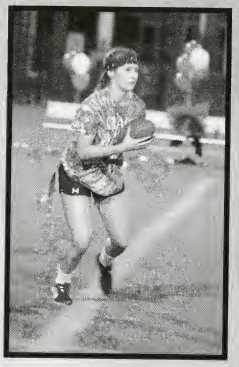
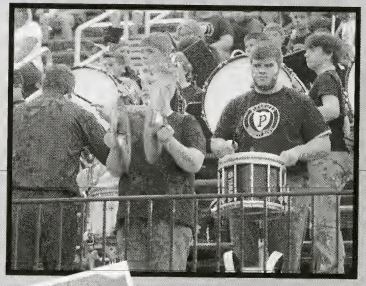
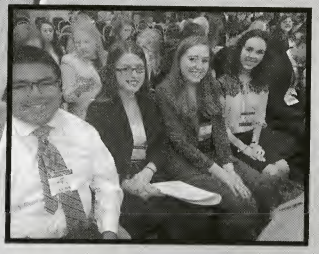
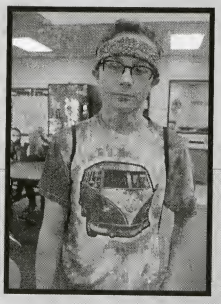
FOOTBALL









Creating Some PANTHER PRIDE

School spirit is not something easily defined because it consists of so many things. School spirit is the feeling you get when you crowd into the bleachers for a football game or into the stands for a basketball game. School spirit is proudly wearing a Panther shirt.

Members of the Pep Club worked throughout the year to foster that spirit by decorating lockers, organizing pep rallies, recognizing the cafeteria staff, sponsoring Homecoming Week activities, and encouraging classmates to support whatever is going on at PHS.

Standing on the core values for its ministry, Fellowship of Christian Athletes, a student-initiated group, promotes integrity, serving, teamwork, and excellence.

Most Thursday mornings, either around the flag pole or in the senior lounge, students gathered for a devotion and music.

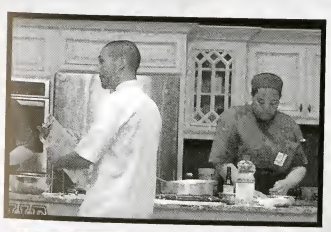
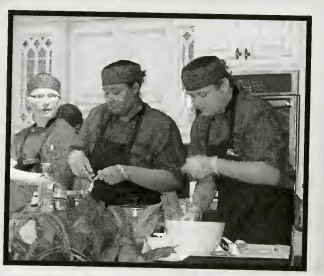
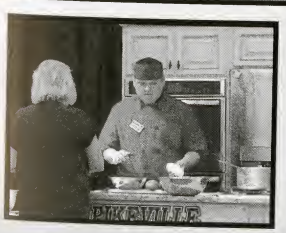
Cooking Team (from left) Colin Elder, Zane Akers, Ja'Mesa Honaker

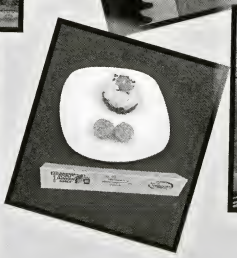
In August, members of the Junior Chef Cooking Team took their Shepherd's Pie recipe to the state competition in Louisville. Each dish submitted for competition must meet certain criteria: follow school guidelines and made from ingredients used in school cafeterias. The team had an hour and a half to cook, plate and present.

Local chef Chris Fleniken helped the team prepare for the competition. He is a high-end caterer and a knife maker.









Creating "Issues"

The journalism class spent the year writing for *The Independent,* the school newspaper, and the *Faculty/Staff Newletter.* The interviews, deadlines, photos, and rewrites consumed the weeks before the completed assignment was sent to Callie Leisure, editor of the newspaper, or Austin Justice, editor of the newsletter.

As the end of the year arrived, the entire staff worked on the final newspaper, the special senior issue. "I will miss smiling while reading someone's beautifully written words on a Google Doc, " Callie said. "I will miss putting antlers on the front page panther for the Christmas edition. I will miss laughing at Jay Compton's comics."

Austin added, "I quickly discovered my first year in journalism class that I had found a passion, something I could do for the rest of my life."

Impacting the School Community

Student Council members spent much of the year honoring the faculty and staff. Whether providing coffee and muffins or designing bulletin boards and helping in the classroom, members were eager to do what they could.

The council also participated in the Valentine's Day Data Match and greeted the sixth class to show them around the school.

Wind Band Makes History

The Kentucky Music Educators Association holds the State Concert Band Performance Assessment each May at Comstock Hall at the University of Louisville School of Music. Bands from across the state perform in this prestigious event.

To qualify, participating bands must receive a distinguished rating at one of the state's district concert band assessments. In April, the Pikeville Wind Band received unanimous distinguished ratings from a panel of three adjudicators at the KMEA District Nine Assessment.

Based upon the decision of the judges, Pikeville was awarded a distinguished rating. This is the first statewide distinguished rating garnered by the PHS band program and one of only two distinguished ratings ever awarded within KMEA District Nine history.

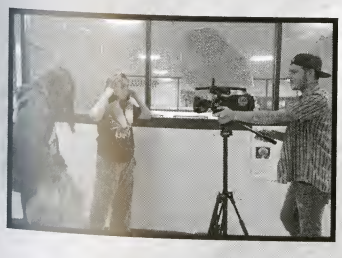
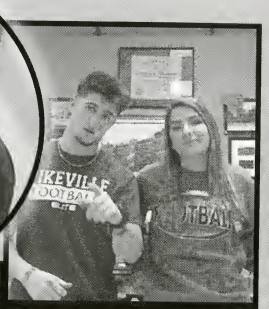
Lights, Camera, Panther Power Hour!

The seventh consecutive season of *Panther Power Hour* did not fail to make the audience laugh. Several hours of hard work and dedication went into the making of each show with many students often staying hours after school just to make sure the show was viewable the next day.





Maroon Brothers Look Good Every Night

The tradition that has made the Pike County Bowl a success continued when the Panthers took on Letcher Central in the 32nd annual Community Trust Bank/WYMT-TV Bowl games on Saturday, August 27.

Pikeville ambushed the Cougars to pick up a 30-6 win. Clay Slone's 12 points, which included an interception, earned him MVP honors. This was the Panther's seventh consecutive Bowl win and the 12th straight win dating back to 2015.

BACK TO BACK C17AMPS

On Saturday, October 15, the annual powder puff game was held between the junior and senior girls. Trash talk began earlier than usual this year, and the teams started practicing months before the game. The juniors were determined to upset the defending champions, but the seniors put the game away quickly.

The first play of the game, senior Savanna Nunemaker raced to the end zone for the team's first touchdown. The next play, she intercepted a pass and scored again. In the second half, senior Erika Conn added another six points to the scoreboard.

Alexis Stanley scored a late TD for the juniors but it wasn't enough. The seniors finished with an 18-8 victory. The graduating class of 2017 finished their powderpuff games with a record of 2-0.

Dani's out in the middle of the woods at night, alone, without a flashlight. She meets three girls from another camp, and the new friends tell ghost stories to pass the time.

A special guest to the festival this year was Erik Kloeker, a record holding juggler, fire-eater, and sword swollower.

Of course, the main purpose of the festival is to raise money for the Shriners Hospitals for Children.

The Celebration Continues

Project Prom

The fun continued after Prom at Project Prom. Students crowded into the commons area and the gym for excitement all night long.

The fast paced, mulit player redneck inflatable game seemed to be the favorite. It definitely challenged the participants' agility, balance, and indurance.

As always, the crowning of Mr. Project Prom brought laughter to the crowd. McKinley Webb won the 'coveted' title.

Competing With Confidence

"I was really proud of the girls, coming into a new system," first-year coach Robert Orem said. "They came to practice ready to work and gave it their all every day.

"This was a young team; most of the girls were fifth and sixth graders. The older girls really stepped up and were great leaders."

"I was pleased with the way the boys pulled together and worked hard throughout the season," second-year head coach Jonah Justice said. "We lost several from last year's eighth grade class, so I was really proud of the boys. I see a bright future ahead for the Panther football program."

Aneesh Sharma - only perfect score in Science in the State

The elementary academic team had much to celebrate. In District Governor's Cup competition, all members advanced to Region with the team placing first in the quick recall and future problem solving categories.

The Regional Governor's Cup was held at Johns Creek Elementary. The team captured its fifth straight championship, the only school in the region to achieve this feat.

"Regional competition for elementary students began in 1992," said Coach Kim Fields. "Since that time, in our region, as of 2016, two schools had a record for winning four consecutive regional titles: Southside Elementary (2008-2011) and Pikeville Elementary (2013 - 2016). When we won this year we became the first elementary school in our region to win five consecutive region titles."

Year-long Reading Challenge

Sixth grade students answered a challenge from Principal Robert Jones to read 1,250 books during the school year. The students won the challenge, and so Mr. Jones, dressed in tutu, wearing a t-shirt that declared he hates the Dallas Cowboys and a Pittsburgh Steelers hat, kissed a pig.

Distinguished Rating at Festival

The elementary chorus practices every Thursday after school in preparation for their three competitions and two performances - a Christmas Concert and a Spring Concert.

The group accomplished a lot for a small group of singers, receiving a distinguished rating at the District Festival.

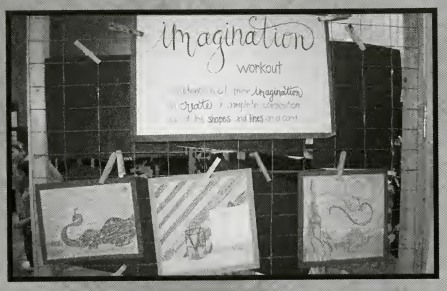
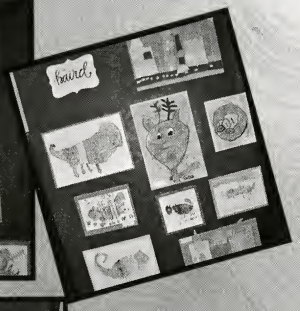
An Imaginary Celebration

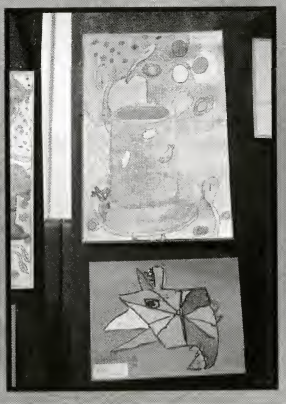
Elementary Art Showcase

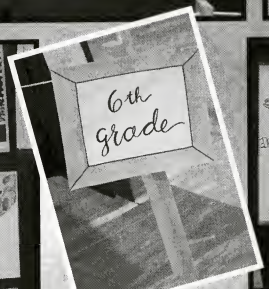
Representing art students in kindergarten through sixth grade, the annual art show highlighted the creative and expressive nature of their works.

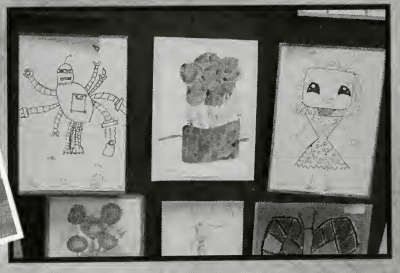
Students were eager to show their creations to family and friends on Sunday, April 30 and Monday, May 1.

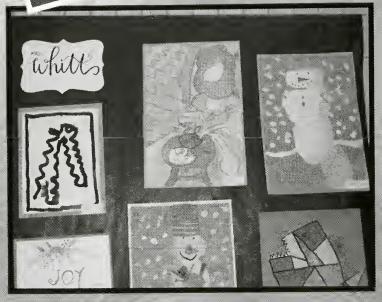


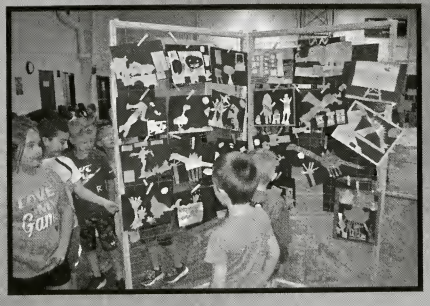








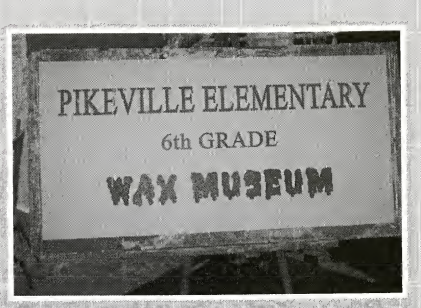


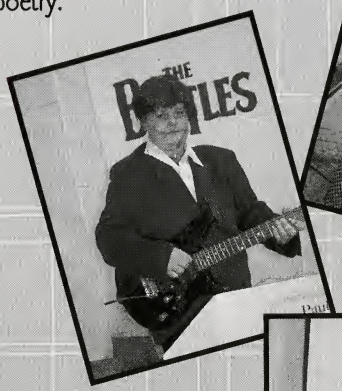


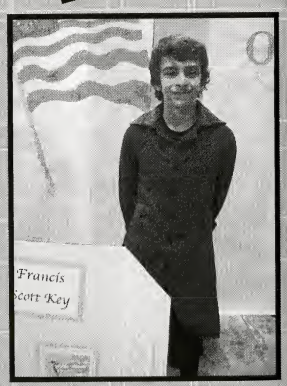
Sixth Grade Hosts Living Wax Museum

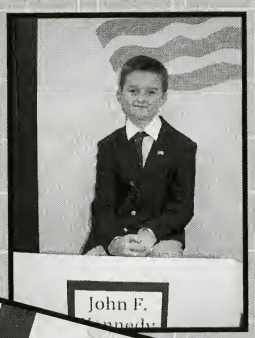
Sixth grade students participated in the annual Living Wax Museum. Throughout the course of the two-day event on November 15 and 16, the 68 students disguised themselves as different characters, both fictional and non-fictional. They prepared costumes, speeches, props, and backdrops for their characters.

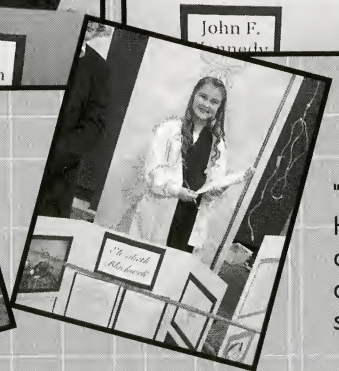
The students incorporated art by painting their banners, creating their trifold presentations, and writing poetry.











"They have learned so much," reading teacher Jatanna Hall said. " Not just about their characters, but about other student's characters. They have also gained confidence in themselves. They have learned to speak publicly."

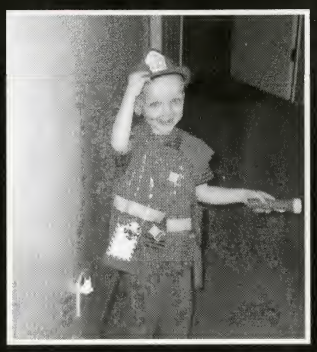
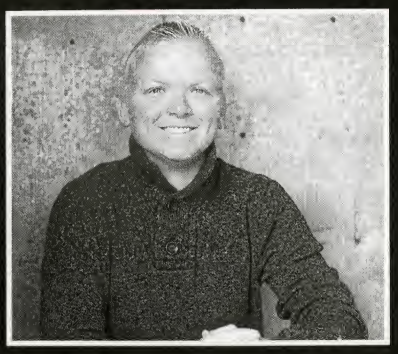
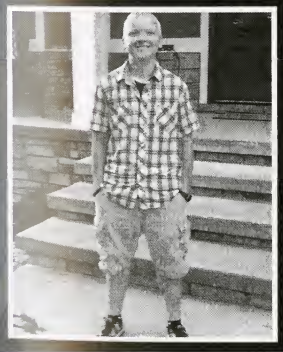
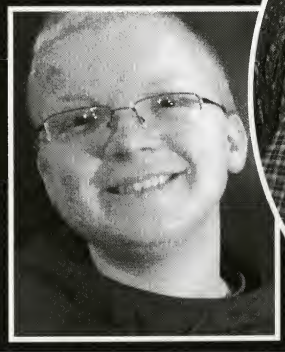
Colin Michael Elder









Colin - We wish you the strength to face challenges with confidence, along with the wisdom to choose your battles carefully. We wish you adventure on your journey, and may you always stop to help somebody along the way. Listen to your heart and always take risks carefully. Remember how much you are loved. We are so very proud of you!
